IP & HD-TVI IDIS Compact Solutions

Benefits of IDIS Compact Solutions

Lower installation and maintenance costs

Designed for easy setup with fewer components and simple cabling — minimal maintenance reduces long-term costs.

Smart design for maximum efficiency

With its compact footprint and optimized power usage, our CCTV solution is perfect for space-constrained environments like small offices, shops, or cafés.

Intuitive Control, No Training Needed

Intuitive and user-friendly, our plug-and-play system lets anyone monitor and manage footage with ease.

Scalable for future expansion

Easily scalable with hybrid support and DirectIP—expand or upgrade without system replacement.

For Fast-Fit and Rapid Multi-Site Deployments

An IDIS Compact Solution is completed by choosing from a range of price competitive cameras and recorders specifically designed for rapid-fit and multi-site deployments. Easy to install through one-click network configuration, users can mix and match analog and IP technologies and operate both through a choice of IDIS client software.
